

A Greeting Card with dried Flowers behind a Picket Fence

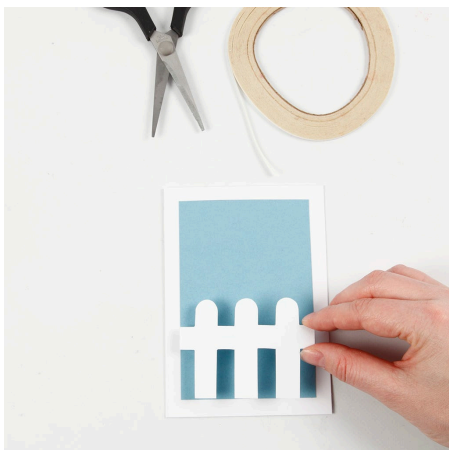

v15450

Make a summer greeting card with a picket fence and a flower garden from dried flowers.

Comment faire

1 Print out the PDF templates attached to this idea and cut out the background and the picket fence.

2 Attach the background onto the front of the greeting card with double-sided adhesive tape. Attach the picket fence on top with double-sided adhesive tape.

3 Glue flowers onto the greeting card with a glue pen, creating a flower garden behind the picket fence.
