

## A crocheted Christmas Star on a Metal Star Frame

v15440

Crochet your very own Christmas star around a metal star frame with double crochet stitches using a No. 3 crochet hook and Lurex yarn.

### *Comment faire*

**1** Begin by making a loop from doubled-over yarn as shown in this picture.

**2** Crochet double crochet stitches around the metal star frame until it is fully covered. Finish and secure the end.

**Another variant -**
