

A Christmas Bauble decorated as a Snowman

v15436

Make your own lovely Christmas baubles modelled as snowmen by covering polystyrene baubles with Foam Clay and decorating them with accessories for snowmen.

Comment faire

1 Press or roll Foam Clay flat and cover the entire polystyrene ball.

2 Push the eyes and the nose into the ball whilst the Foam Clay is still wet.

3 Roll small cheeks from pink Foam Clay.

4 Push the eye pin through the hat and further through the snowman's head to keep the hat in place.

5 Thread a piece of silver thread through the eye pin at the top and tie a knot to make a loop.

Another variant Here is the snowman Christmas bauble with his Polar friends.
