

## Foam Clay Snowmen for hanging and Silk Clay Candy Canes and Berries

v15433

Decorate a branch with cute Foam Clay snowmen as well as Silk Clay candy canes and berries.

### *Comment faire*

**1** Press or roll the Foam Clay flat and cover the polystyrene balls with the rolled-out Foam Clay for the snowmen.

**2** Press a piece of Foam Clay flat for the melted snowman.

**3** Assemble the covered balls. Foam Clay sticks while it is wet.

**4** Decorate the snowmen with accessories for snowmen; a nose, eyes, buttons and arms.

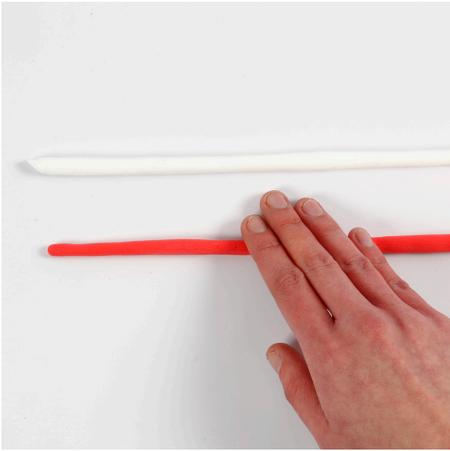

**5** Attach the hat by pushing an eye pin through the hat and into the top of the polystyrene ball.

**6** Tie a piece of striped cotton cord around the neck for the scarf and a piece of striped cotton cord through the loop of the eye pin for hanging.

**7** Roll two equal sizes “sausages” from white and red Silk Clay for the candy cane.

**8** Twist the two “sausages” around each other as shown in the picture.

**9** Shape it as a candy cone and cut at a suitable length. Let the candy cane lie flat whilst drying so that it keeps its shape.

**10** Roll small balls from red Silk Clay and attach them onto small branches. Silk Clay sticks onto wood while it is wet.
