

The Elf is decorating Santa's House

v15404

The rocking chair, the presents and other small wooden accessories are painted with craft paint and decorated further with Plus Color markers. The Christmas tree is decorated with wooden beads. The garland is made by threading wooden beads onto a thin piece of silver wire and attaching it to the ceiling with Dodz adhesive dots.

Comment faire

1 Paint the rocking chair and the small wooden accessories with craft paint.

2 Add details with Plus Color markers.

3 Make the garland by threading wooden beads onto a thin silver wire. We have used 51 wooden beads for the garland.

4 Attach the garland to the ceiling using Dodz adhesive dots as shown in the picture.

5 Glue wooden beads onto the Christmas tree.
