

## Wooden Nutcracker Figures decorated with Glitter

v15407

These wooden nutcracker figures and the small wooden accessories are painted with red and white craft paint. Parts of the wooden figures are decorated with glitter attached with acrylic lacquer.

### *Comment faire*

**1** Paint the wooden figures and the small wooden accessories with craft paint.

**2** Apply glossy acrylic lacquer to parts of the wooden figure with a brush.

**3** Sprinkle glitter onto the wet lacquer.

**4** Apply another coat of acrylic lacquer onto the glitter in order to fix it, once the first coat of lacquer is dry.

**5** Attach the small wooden accessories with a glue gun.

**6** Nutcrackers in a row.
