

## Punched-out Insects and Flowers with a 3D Effect

v15438

Decorate punched-out card flowers, butterflies and dragonflies and assemble them in layers for a 3D effect.

### *Comment faire*

**1** Colour in the flowers with markers or colouring pencils. Glue them together in layers and bend the leaves slightly upwards for a 3D effect.

**2** Decorate the butterflies and dragonflies with markers or colouring pencils using your imagination or find inspiration on the Internet.
