

Gift wrapping with Christmas decorations

v15805

Add that little extra something to the Christmas presents with additional decorations. We have used different "to and from" cards, small Christmas trees, two-piece Christmas baubles and rosettes folded from wrapping paper.

Comment faire

1 Wrap a Christmas present in metallic wrapping paper and attach small silver Christmas trees using Dodz adhesive dots. The trees are reflected beautifully in the metallic paper.

Another variant The finished wrapped present with silver Christmas trees.

3 Fold a rosette from wrapping paper. Attach it onto the middle of the present underneath the ribbon which can hold the rosette in place. See the step-by-step instructions in idea No. 15766 on how to make rosettes.

Another variant The finished wrapped present with a rosette.

5 Gather lametta strips and use them as decorative ribbon. Complete the look by tying a bow.

Another variant The finished wrapped present decorated with lametta decorative ribbon.

7 Place a small silver star inside a transparent acrylic two-piece Christmas bauble. Assemble the bauble and tie it onto the decorative ribbon.

Another variant The finished wrapped present with a transparent two-piece Christmas bauble.
