

A hanging organiser with pockets for arts and crafts items

v15790

Decorate this hanging organiser for storing and organising your arts and crafts items. This hanging organiser is decorated with symbols which makes it easy to keep your arts and crafts items in order. The symbols are made from felt, textile markers and rub-on stickers.

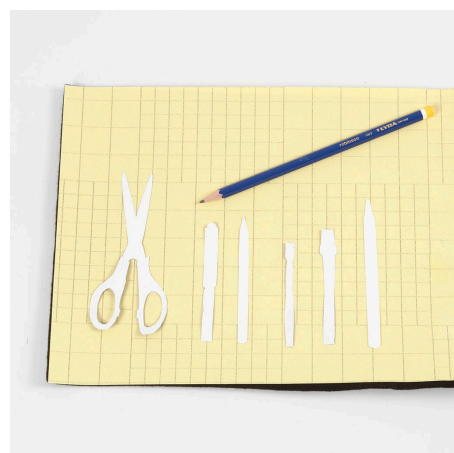

Comment faire

1 Remove the protective paper from one side of the double-sided foil tape.

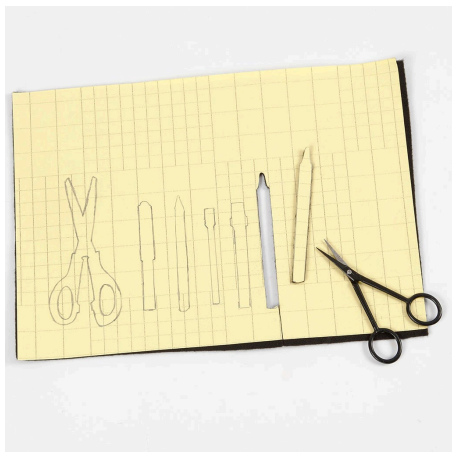

2 Attach the double-sided foil tape onto a piece of craft felt.

3 Print and cut out the symbols from the template which is available as a separate PDF file on this page. Copy the symbols onto the double-sided foil tape.

4 Cut out the symbols.

5 Remove the protective paper from the double-sided foil tape.

6 Attach the symbols onto the organiser's pockets. In case you want more details you may cut the symbols into several parts. For example, you may cut off the tip of the pencil and place it slightly away from the pencil's shaft.

7 Attach the cut-off parts with a small space between them.

8 The small space between the two parts of the symbol gives a great effect as shown in the photo.

9 Cut out your chosen rub-on letters from the sheet.

10 Remove the protective paper from the back.

11 Place the sticker on your chosen location. Rub the sticker on with the wooden stick until the design sticks.

12 Remove the protective top foil layer when it starts to come away from the letter. This indicates that the letter has transferred onto the fabric.

13 Draw the symbols for "Glue" and "Color" directly onto the pockets using the templates. Then colour in the symbols with textile markers.
