

A greeting card decorated with diamond sticker butterflies

v15792

Decorate a greeting card with self-adhesive butterfly diamond stickers. Trim the edge of the greeting card to follow the shape of your chosen stickers. Decorate further with bow from satin ribbon.

Comment faire

1 Attach butterfly diamond stickers onto the front of the greeting card.

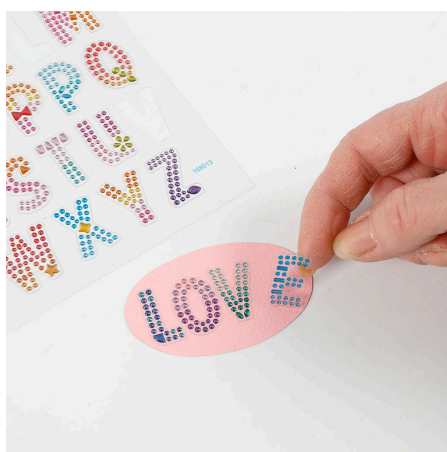

2 Place the stickers on the edge of the front of the greeting card.

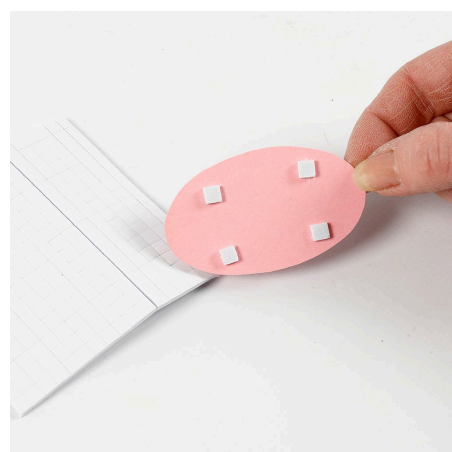

3 Trim the edge to follow the designs as shown in the photo.

4 Open the greeting card and tie the satin ribbon around the front. Tie a bow and trim the excess ribbon.

5 Cut a suitable piece of card. Attach diamond sticker letters onto the card, spelling your chosen word.

6 Attach double-sided 3D foam pads onto the back of the piece of card with the text.

7 Attach the piece of card with the text across the satin ribbon.
