

A basket with punch needle embroidered designs

v15709

Decorate a wicker seagrass basket with punch needle embroidered designs. Draw the design onto the basket using a pencil and embroider from the inside and on the outside of the basket.

Comment faire

1 Draw the design onto the basket using a pencil. Embroider a 5 cm wide border starting 1 cm from the bottom of the basket and embroider circles measuring 2 cm and 5 cm in diameter. Embroider four of each distributed evenly on the top half of the basket.

2 Embroider the circles from the inside of the basket adjusting the needle to setting "C". Embroider the outer edge of the circles and then fill in the middle. Keep a 0.5 cm gap between the stitches.

3 Embroider the border from the outside of the basket, adjusting the needle to setting "D". Keep a gap of approx. 1 cm between the stitches.

4 Secure the ends and trim.

5 Embroider the needle punched design with decoupage lacquer for textiles on the inside of the basket in order to fix the woollen yarn ends.
