

Fabric creepy-crawlies decorated with finger paint

v15699

Decorate these ready-made fabric creepy-crawlies with finger paint for fabric. Here we have used a mix of standard colours and colours with glitter.

Comment faire

1 It's easy to decorate these fabric creepy-crawlies with your fingers. Regardless of the children's age, we recommend using an apron.

2 Use standard colours as well as colours with glitter in order to create a varied look.

3 Leave the decorated fabric creepy-crawlies to dry for 24 hours before use.
