

A Shaun The Sheep drawstring bag decorated with textile markers

v15680

Colour in your own drawstring bag with the characters from Shaun the Sheep. The drawstring bag has a pre-printed design showing Shaun the Sheep and Bitzer which are coloured in with textile markers.

Comment faire

1 Place a piece of card inside the drawstring bag to avoid smudging the back of the bag.

2 Colour in the pre-printed designs on the drawstring bag with textile markers and leave to dry.

3 Fix the coloured designs with an iron to increase the durability of the colours. Remember to place a piece of baking paper between the coloured designs and the iron.
