

Shaun the Sheep mini bowling from Foam Clay and Silk Clay

v15633

Make your own mini bowling game with the characters from Shaun the Sheep. The sheep are made by covering polystyrene egg and balls with Foam Clay and Silk Clay.

Comment faire

1 Make the bowling ball by rolling lots of small white Foam Clay balls. Roll another four small balls, a head and two ears from black Silk Clay.

2 Attach all the parts onto a polystyrene ball.

3 Attach the four black balls underneath the bottom of the ball for the feet.

4 Attach self-adhesive googly eyes and make two nostrils with the pointed end of a pencil.

5 Squeeze the ball to make it completely round for rolling.

6 Make the skittles from covered polystyrene eggs with white Foam Clay.

7 Model four legs, a head and two ears from black Silk Clay. Make a tail from a small amount of white Foam Clay.

8 Attach all the parts onto the body and attach two self-adhesive eyes.

9 Make six skittles in total. Do not stack the sheep until they are completely dry to avoid them sticking together.
