

An insect hotel or a bug's b&b decorated with a pyrography tool and painted stones.

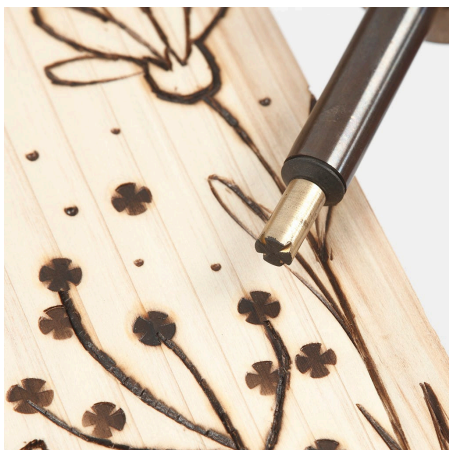

v15908

Decorate an insect hotel or a bug's b&b with designs branded with a pyrography tool. Paint and decorate stones with Plus Color markers and glue them onto the hotel/b&b with a glue gun for extra decoration. Remember that an adult must be present when using a pyrography tool and a glue gun.

Comment faire

1 Lightly draw your chosen designs with a pencil. Brand the designs with a pyrography tool.

2 The pyrography tool has different replaceable metal tips.

3 Decorate stones with Plus Color markers to make small ladybirds and bumble bees.

4 Attach the decorated stones onto the insect hotel or bug's b&b using a glue gun.

Another variant This bird box is decorated with a pyrography tool and Plus Color craft paint.
