

## Watercolour pictures with glue-on pressed flowers

v15907

Decorate watercolour drawings and pictures with pressed flowers. Attach poster hangers to the picture for hanging.

### *Comment faire*

**1** Pick flowers and leaves from outside and place them in a flower press.

**2** Put the enclosed elastic bands around the flower press and leave them for approx. 14 days. The drying time can vary depending on the type of flowers and plants being pressed.

**3** Paint or draw a picture of flower stalks without the flower heads.

**4** Glue the pressed flower heads and leaves onto the picture. You may attach poster hangers to the picture for hanging.
