

## Hanging decorations with rabbits, feathers and wooden beads

v15671

Make your own hanging decorations for spring and Easter. Make a rabbit from wooden beads with faux leather paper ears and make lovely hanging decorations from wooden beads with down.

### *Comment faire*

**1** Cut rabbit ears from faux leather paper. Use the template which is available as a PDF file on this page.

**2** Make a rabbit: Feed a doubled-over leather cord through the wooden beads as shown in the photo. Glue the leather cord onto the inside of the beads. Push the faux leather paper ears together at one end and then glue them inside the hole of the wooden bead at the top.

**3** Make a hanging decoration from down: Feed a leather cord through the beads as shown in the photo. Adjust the length of the leather cord according to your chosen number of wooden beads. Glue the leather cord onto the inside of the beads. Finish by gluing feathers inside the hole of the bottom wooden bead.
