

Porcelain mugs decorated with hearts using glass & porcelain markers

v15650

Decorate a personal mug with designs made with glass & porcelain markers. Leave the mugs to dry for 8 hours before placing them in a cold oven. Fix in the oven for 40 minutes at 230°C. Leave the mugs to cool in the oven.

Comment faire

1 Wash the mug so that the surface is completely clean and grease free.

2 Draw your chosen design onto the mug using a glass & porcelain marker. Shake the marker well before use and pump out the ink.

3 Leave the decorated mug to dry for 8 hours and then place it in a cold oven. Turn on the oven at 230°C. Turn off the oven after 40 minutes and leave the mug in the oven with the oven door closed to continue fixing in the oven until the oven is cold. The mugs are now dishwasher safe at a low temperature.
