v15618

Decorate a rabbit with a sign using Plus Color markers, guinea fowl feathers and plastic eggs.

Comment faire

1 Make dots in different sizes on the wooden rabbit sign using a Plus Color marker.

2 Cut open two plastic eggs with a zig-zag pattern using a pen knife.

3 Cut two 90 cm pieces of natural twine. Place one piece around the egg longitudinally and wrap the other piece of twine around the egg four times. Finish with a small bow.

4 Tie a knot onto the natural twine 4-5 cm above the egg and tie it onto the wooden sign as shown in the photo.

5 Attach the eggs and feathers onto the wooden sign using a glue gun.
