

Bamboo kitchen utensils painted with Plus Color craft paint

v15903

Add a personal touch to these bamboo kitchen utensils. Cover with masking tape, paint with Plus Color craft paint. Don't paint on areas which will come into contact with food.

Comment faire

1 Measure and mark with a pencil where to attach the masking tape. Attach the masking tape. The measurements could be, for example: Wooden spoons etc. 12 cm, chopping board 9.5 cm, egg cup 4 cm, bowl 2.5 cm. All the measurements are from the beginning of the handle or from the table.

2 Apply two coats of Plus Color craft paint to the kitchen utensils and leave to dry.
