

Easter hanging porcelain decorations with dried flowers

v15588

Paint porcelain rabbits with glass & porcelain paint. Fix them in the oven at 160°C for 90 minutes. Dried flowers can now be glued on for further decoration.

Comment faire

1 Make dots along the edges of the rabbit using a brush handle.

2 Dab paint along the edge of another rabbit. Leave the paint to dry. Dab once more if needed and leave to dry again.

3 Place the rabbits in a cold oven and switch it on to 160°C. Once the temperature is reached, fix them in the oven for 90 minutes. Leave the rabbits to cool in the oven.

4 Cut a dried flower to fit onto the rabbit's body. Attach the flower with Clear Multi Glue Gel.

5 Attach a decorative ribbon for hanging.
