

A post card made from vellum paper and filled with sequins

v15841

Make a post card from vellum paper which you sew together and fill it with festive sequins.

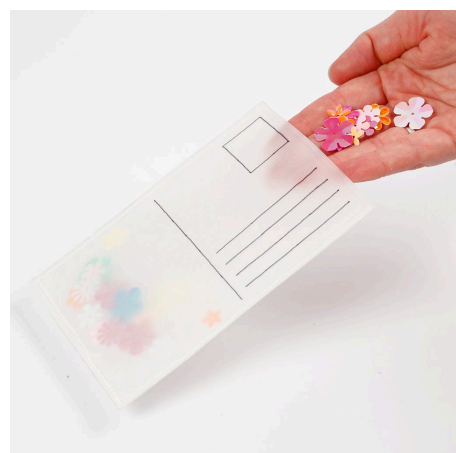

Comment faire

1 Print the template which is available as a separate PDF file on this page. Place vellum paper on top and transfer the design onto the vellum paper using a high quality permanent marker. Cut out the parts.

2 Sew three of the four sides together with a handheld sewing machine. Secure the ends following the instructions on the packaging.

3 Fill the post card with sequins and sew together the fourth side. Secure the ends following the instructions on the packaging.
