Gift wrapping with stamped designs and natural materials

v15816

Make personalised gift wrapping by stamping your chosen designs onto wrapping paper and gift bags. Decorate with name tags and dried slices of orange.

Comment faire

1 Dab a stamp into an ink pad in your chosen colour and transfer the design onto the plain wrapping paper. Leave the wrapping paper to dry.

2 Wrap the wrapping paper around the present and tie a piece of natural hemp around the present.

3 Stamp a design onto a manilla tag and tie it onto the present. Decorate further by tying natural materials onto the present.
