

A flat glass bauble decorated with 3D Snow Effect

v15785

Decorate a glass Christmas bauble with 3D Snow Effect and fill the bauble with glitter and sequins.

Comment faire

1 Print the template which is available as a separate PDF file on this page. Cut out the template and the details.

2 Attach the template onto the glass bauble with sticky tape and copy the details onto the glass bauble with a glass and porcelain marker.

3 Remove the template and copy the details with 3D Snow Effect.

4 Make a small funnel from paper and pour glitter into the glass bauble.
