

Gift wrapping decorated with a tissue paper flower

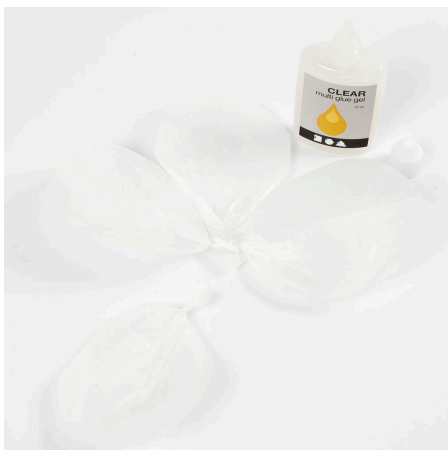

v15778

Make your own winter flower from tissue paper and attach it onto a present as an additional decoration.

Comment faire

1 Print the template which is available as a separate PDF file on this page. Cut 12 white leaves and one small white square from tissue paper. Lightly crumple the leaves and lightly twist the pointed end of the leaves.

2 Glue the pointed end of the leaves onto the small square using Clear Multi Glue gel, making a circle in several layers.

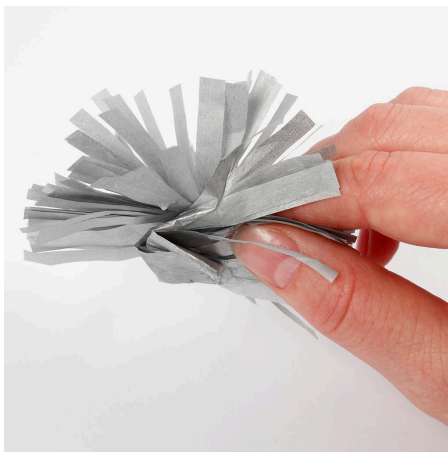

3 Cut a quadruple layer of tissue paper using the template and cut tassels. Glue the tasselled pieces together at the side that is not cut open.

4 Fold the tissue paper five times around as shown in the photo.

5 Fold 2 cm from the base upwards. Spread the tassels in all directions and glue it onto the middle of the tissue paper flower.

6 Cut a polystyrene ball in half using a craft knife.

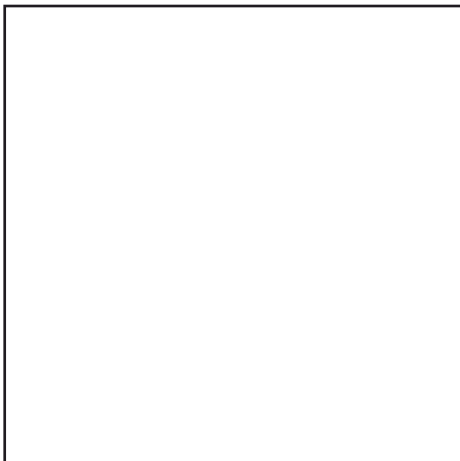

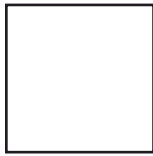

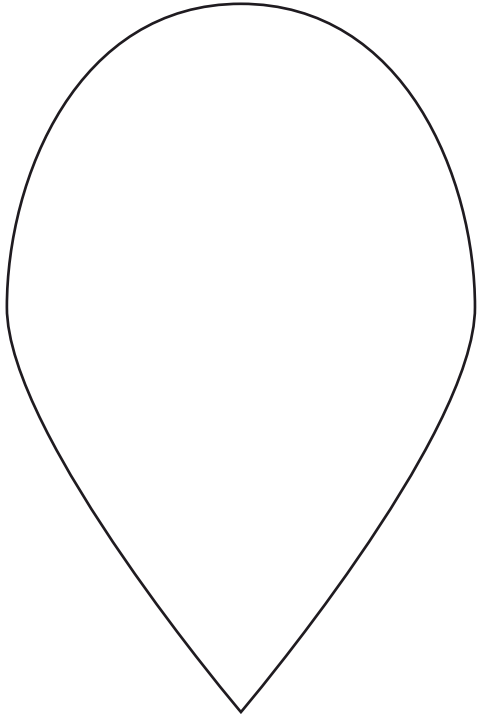

7 Cut a large square from tissue paper and glue it around the semi-circle.

8 Glue the semi-circle onto the middle of the flower as shown in the photo. Leave the finished flower to dry and attach it onto the wrapped present.
