

Elves for hanging made from pipe cleaners, pom-poms and bells

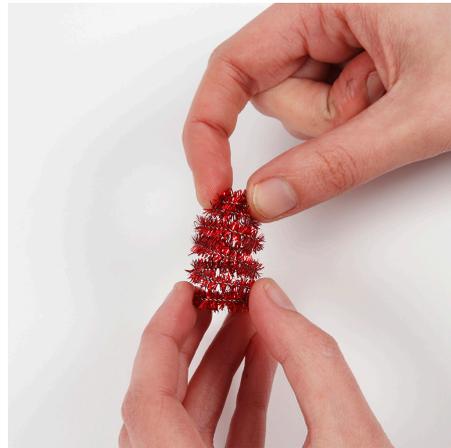

v15763

Make these small shiny elves for Christmas hanging decorations from pom-poms, compressed cotton heads, bells and a pipe cleaner shaped like an elf's hat. Thread all the parts onto a piece of silver thread using a needle.

Comment faire

1 Roll a pipe cleaner into a coil.

2 Pull the middle of the pipe cleaner coil upwards to make an elf's hat.

3 Tie a bell onto a piece of silver thread. Thread the silver thread onto a needle. Thread all the elf parts onto the doubled-over piece of silver thread.

4 Tie a knot at the doubled-over end of the silver thread for hanging the elf as decoration.
