

## Hanging decorations made from Foam Clay Large using shape cutters

v15818

Make lovely hanging decorations from Foam Clay Large. Push Foam Clay inside shape cutters to a thickness of approx. 0.5 cm. Sprinkle glitter and sequins into the Foam Clay and make a hole for hanging.

### *Comment faire*

**1** Push the modelling clay into all the edges inside the shape cutter at a thickness of 0.5 cm.

**2** Use a yarn needle or a different pointy object for making a hole for hanging.

**3** Sprinkle glitter and sequins over the figure and push it into the damp Foam Clay. Leave to dry overnight.

**4** Attach a piece of silver thread for hanging using a yarn needle.
