

Nosy wooden elves painted with craft paint

v15722

Paint these lovely wooden elves with Plus Color craft. Add details with Plus Color markers and finish with a coat of acrylic lacquer.

Comment faire

1 Paint these wooden elves with red and grey Plus Color craft paint.

2 Use a white Plus Color marker for decorating the rim of the elf's hat and for the pom-pom at the top. You may add further decorative details with the Plus Color marker

3 You may, for example, draw plaits on each side with a white Plus Color marker and make a small bow using red Plus Color craft paint.

4 Apply a coat of acrylic lacquer to the elves once the paint is completely dry. Leave the lacquer to dry.
