A birthday greeting card decorated with Washi stickers
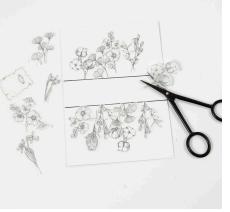

v15793

Make this greeting card by decorating it with a marker, Washi flower stickers and letter stickers.

Comment faire

1 Draw two horizontal lines on the front of the greeting card using a permanent marker.

2 Cut the self-adhesive Washi flower stickers away from the sticker sheet and attach them along the horizontal lines on the front of the greeting card.

3 Write your chosen text in the box on the front of the greeting card using self-adhesive letter stickers.
