

A Lovely Hair Band with an Organza Flower

v10776

Lovely hair accessories which are super easy to make. The flower gets its lifelike shape by melting the edges of the organza with a heat gun.

Comment faire

1
Cover the hair band with power tape and wrap around with Grosgrain Ribbon.

2
Cut circles of organza fabric and warm the edges with a heat gun until they begin to shrink.

3
Sew the organza pieces together and also sew on some Howlite beads. Quick, easy and really lovely.
