

Transparent flowers

v11253

Bring spring into the living room with these colourful mobiles made from hard foil sheets. The designs are drawn with Power Liner and then painted and decorated with A-color glaze transparent paint. When dry, the flowers are decorated with stems of pipe cleaners.

Comment faire

1
Print the templates from our website if you wish. Lay the plastic sheet on top of the drawing and draw using a black waterproof marker.

2
Paint the flower with A-color glaze transparent paint and let it dry. Use hole punch pliers to make a hole in the top and the bottom. Attach pipe cleaners as the stem.
