

Mask for the King of the Birds

v11212

A painted half face mask with a papier-mâché cone as the beak and lovely feathers around the edge.

Comment faire

1
Paint the mask with A-Color Glass, mix the colours and put a bit of water onto the brush.

2
Cut up a small cone and customize it as the beak on the mask. Paint the beak and glue it onto the mask with a glue gun.

3
With a glue gun attach feathers and down and attach the supplied elastic headband.
