

## Stuffed Hearts

v11861

These hearts are cut from Vivi Gade Design Paper, sewn along the edges on the sewing machine and stuffed with polyester stuffing.

### *Comment faire*

**1**  
Draw a heart using the template and cut out – cut two hearts for each hanging decoration.

**2**  
Apply some glue to the arches of the heart, attach the ribbon at the top and glue the hearts together, leaving an opening.

**3**  
When the glue is dry, stuff some polyester stuffing inside and sew around the edge on the sewing machine. □ Use the hearts as decoration for the Christmas tree, as decorations for the window or as a gift wrapping decoration.
