

Release the imagination with finger paint

v1415

Comment faire

1
Paint a picture with your fingers.

2
You can cut the picture for the candle glass.

3
Place the picture in a laminating pouch.

4
Run the picture through the laminating machine.

5
Cut off the excess foil.

6
For the candle glass, make holes in the sides with a hole puncher.

7

Gather it with chenille.
