

A decorated assembled Card House

v14326

These small self-assembled card houses are decorated with markers and assembled with double-sided adhesive tape.

Comment faire

1
Decorate the cut-out sheet with markers and assemble into a house with pieces of double-sided adhesive tape attached onto the tabs.

2
Assemble the house into shape and gather at the tabs (gable, roof, side). The bottom is closed without the use of tape. See photo.
