

## An Angel made from Faux Leather Paper Star Strips

v14982

This angel is made from faux leather paper star strips. A leather cord with a small decorative jewellery pendant is used for hanging.

### *Comment faire*

**1**  
Angel wings and head: Cut a faux leather paper star strip into two 23 cm pieces. Measure 9 cm and fold. Shape the wings around a pencil.

**2**  
Use the rest of the paper strip for the head. Bend and roll the paper strip around a pencil. Use one whole paper star strip for the body.

**3**  
Glue on the head.

**4**  
Glue on the wings. Glue the inside rounded section of the wing onto the inside top section of the wing. Glue the body together by the neck.

**5**  
Make a hole for hanging at the top of the head using punch pliers.

**6**  
Thread a leather cord through the hole and thread a jewellery pendant onto the leather cord.
