

A Menu Card decorated with a Vellum Paper Heart, Glitter and Rhinestones

v15385

Make your own menu card with a vellum paper heart decorated with gold glitter.

Comment faire

1
Cut a 7.5 x 18 cm piece of card.

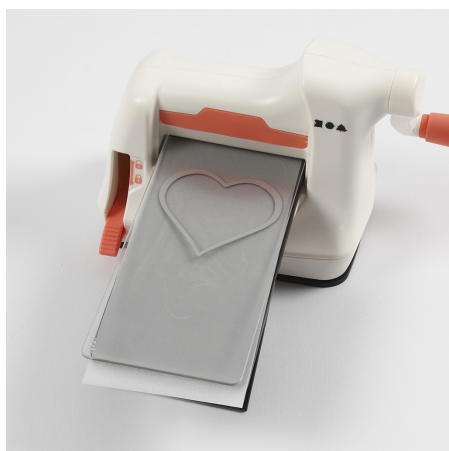

2
Punch out a heart from the piece of card 12 mm from the top edge. Place cutting plate C underneath + the piece of card + the die + the base plate B on top.

3
Cut out a piece of vellum paper the same size as the piece of card; i.e. 7.5 x 18 cm.

4
Attach the piece of vellum paper onto the back of the piece of card with the heart silhouette using a glue pen.

5
Punch out a heart from vellum paper the same size as the heart silhouette on the card.

6
Apply glue from the front along the edges of the heart silhouette with the vellum paper backing. Sprinkle glitter onto the middle of the heart.

7
Apply glue along the edges of the punched-out vellum paper heart and press it on top of the glittery heart on the menu card.

8
Print out the menu text and attach it onto the card with double-sided adhesive tape. Decorate further with rhinestones.
