**1**  
Use a glue pen to apply glue across the lines of the silicone stamp with the butterfly design. Turn over the stamp and press it onto the place card.

**2**  
Leave the glue print until it is tacky; i.e. it's still sticky, but doesn't stick to the fingers when touched. Place the deco foil on top and rub hard to attach it onto the glue. Carefully remove the deco foil sheet.

**3**  
Punch out a butterfly design from vellum paper using cutting plate C underneath and base plate B on top.

**4**  
Glue the body of the vellum paper butterfly onto the place card on top of the deco foil butterfly. Print out a name. Glue it onto the place card.
