

## An Easter Garland made from Nabbi Fuse Bead Easter Bunnies, Easter Eggs, Flowers and an Easter Chick v15345

Make this lovely Easter garland from four Nabbi fuse bead figures; an Easter chick, an Easter bunny, Easter eggs and flowers. All the figures are made from a mix of Nabbi fuse beads in glitter, mother-of-pearl and standard colours. The flowers and the Easter bunnies are decorated with glued-on pom-poms.

Place a piece of ironing paper or baking paper on top of the beads and iron them together with an iron. Do a small test beforehand as the temperature varies from one iron to another. Iron the beads so that they lightly melt together and then remove them carefully from the pegboard (still with the ironing paper or the baking paper on top). Place a book or a heavy object on top until the beads have cooled down, then remove the ironing paper or baking paper. You may iron the figures on both sides for extra stability.

Assemble the garland by passing a thread through the middle fuse bead of the figures. Add the pom-poms by threading them onto the thread between two Nabbi fuse bead figures.
