

## A Notebook decorated with Rub-on Stickers

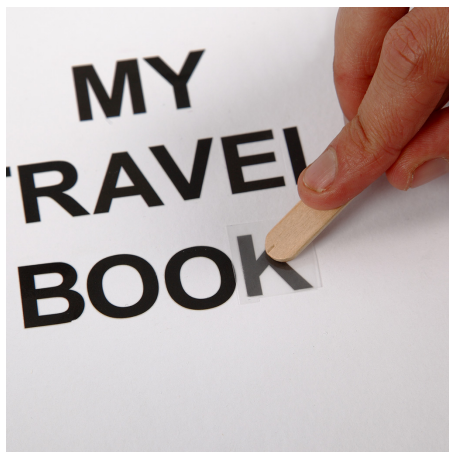

v15212

This small notebook is decorated with letters and rub-on stickers with summer designs. The stickers are easy to rub on using the supplied wooden stick.

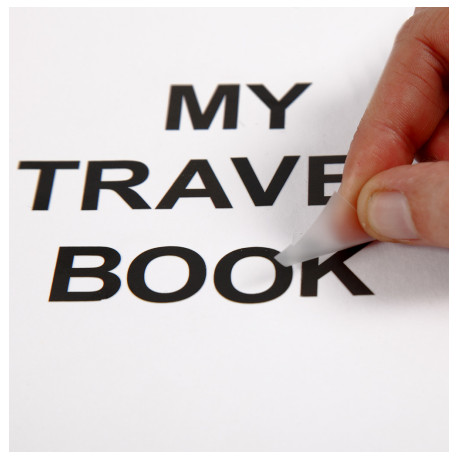

### *Comment faire*

**1**  
Cut your chosen designs away from the sheet and remove the protective paper from the back.

**2**  
Place the design on the book and rub it on with the supplied wooden stick.

**3**  
Now carefully remove the protective top foil layer.
