

A crocheted dishcloth with moss stitch

v15508

This dishcloth is crocheted with the popular crunch stitch style pattern. We have used cotton yarn 8/4 on No. 3.5 crochet hook.

A tip!

In order for the dishcloths to keep the colours from fading, you may soak them in cold water adding a small amount of white vinegar. This should also improve their absorbency.

3

Wash the dishcloths before use at 40°C.
