

Mosaics Designs on round Terracotta Plates

v15544

These mosaic designs are made from glass and mirror mosaic tiles which are glued onto a terracotta plate using Clear Multi Glue Gel. The terracotta plate is painted with Plus Color craft paint before attaching the mosaic tiles.

Comment faire

1
Paint both sides of the terracotta plate with Plus Color craft paint. Leave to dry.

2
Draw your chosen design in a large scale so that there is space for the mosaic tiles. Fill in the design with mosaic tiles and attach them with Clear Multi Glue Gel.
