

Colourful embroidered Hanging Decorations

v15535

These geometric embroidery card shapes are coloured in with markers and then embroidered with embroidery floss or cotton yarn in the punched-out holes. A piece of coloured card is attached onto the back and tassels are made with the cotton yarn or embroidery floss.

Comment faire

1
Colour in the punched-out embroidery card shape with markers.

2
Sew cross stitches, tacking stitches or other stitches with embroidery floss or thin mercerised cotton yarn.

3
You may cut a piece of coloured card the same size as the embroidery card figure and glue it onto the back, thus covering the back of the embroidery in case the card figure is intended for hanging.

4
You may make tassels from embroidery floss or cotton yarn and thread on wooden beads according to your own taste. Attach a piece of cotton yarn or embroidery floss for hanging.
