

## A Tablet Cover stamped with Fruit Motifs

v15470

Decorate this tablet cover with stamps and textile markers.

### *Comment faire*

- 1**  
Place a rigid underlay inside the cover, for example a piece of cardboard, a cutting mat or similar.

- 2**  
Mark the distance between each stamp with double-sided adhesive tape attached approx. 2.5 cm apart.

- 3**  
Start stamping the designs onto the cover. Start from the middle and work your way out.

- 4**  
Transform the stamped designs with textile markers into pineapples and water melons.

- 5**  
Fix with an iron for approx. 5 minutes on a medium heat setting.
