

Earrings with a Glass Cabochon Jewellery Pendant

v15453

Make your own earrings with glass cabochon jewellery pendants. The jewellery pendants can be attached to different kinds of earrings; stud earrings, French earwires and stud earrings with a chain.

Comment faire

1 Decorate a stud earring chain by connecting the glass cabochon jewellery pendant to the stud earring chain with an oval ring. Assemble the parts with two flat nose pliers.

2 Make earrings using French earwires. Attach the glass cabochon jewellery pendants onto the earwires with round jump rings and assemble the parts with two flat nose pliers.

3 Decorate these stud earrings by attaching glass cabochon jewellery pendants with a round jump ring and assemble the parts with two flat nose pliers.
