Creative Gift Wrapping with a Jumping Jack

v15423

Use a jumping jack as a part of your creative gift wrapping for Christmas, birthdays or other occasions.

Comment faire

1
Assemble the jumping jack with the supplied clips as shown on the packaging. Make a hole at the top and the bottom of the jumping jack with a screw punch or similar.

2
Feed a piece of doubled-over cotton cord through the hole at the top of the jumping jack. Repeat the procedure with another piece of doubled-over cotton cord through the hole at the bottom.

3
Place the jumping jack on top of the present and tie a knot with all the cord ends on the back of the present.
