

A hair band decorated with mini glass beads and half-pearls

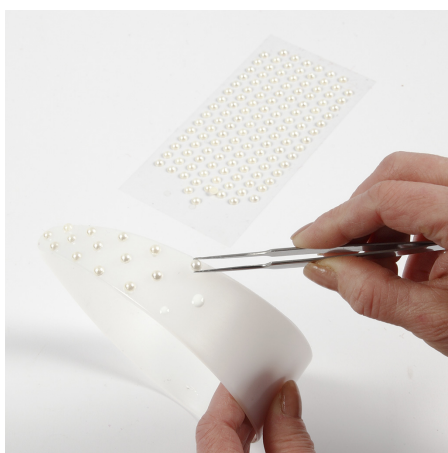

v15526

Decorate this wide hair band with mini glass beads and pearlescent half-pearls. The beads vary in size and are attached with hobby glue.

Comment faire

1
Apply small dots of hobby glue onto the hair band for the half-pearls. Work gradually over the hair band, making sure that the glue doesn't dry before attaching the half-pearls.

2
Attach the half-pearls onto the glue dots. You may use tweezers. Leave to dry.

3
Apply hobby glue around the half-pearls using a brush.

4

Sprinkle the medium sized mini glass beads onto the glue. Sprinkle generously and shake off the excess glass beads. Hold the hair band over something for collecting the excess glass beads. Work gradually over the hair band, making sure that the glue doesn't dry before application is complete.
