

## Porcelain Easter rabbits decorated with glass and porcelain markers

v15696

Decorate porcelain rabbits using glass and porcelain markers and fix them in the oven. Attach a string through the metal loop at the top for hanging.

### *Comment faire*

**1**  
Decorate the porcelain rabbit with a glass and porcelain marker. Make sure that the surface is clean and non-greasy. Leave the decorated rabbit to dry for minimum eight hours

**2**  
Place the rabbit in a cold household oven and switch it on to 230°C. Turn off the oven after 40 minutes and leave the porcelain rabbit in the oven until the oven is cold. Fixing in the oven ensures a robust and washable surface.

**3**  
Attach a string through the metal loop at the top for hanging or stand the figure on its flat base.
