

A dish and candlesticks from bamboo fibres decorated with terrazzo flakes

v15901

Decorate this tray and candlesticks from bamboo fibres which are an environmentally friendly product. Paint with craft paint and sprinkle terrazzo flakes over the wet paint. Finish with a thin coat of varnish.

Comment faire

1
Paint with Plus Color craft paint.

2
Sprinkle terrazzo flakes onto the wet paint.
Leave to dry.

3
Apply a coat of matt varnish to seal the terrazzo flakes. You may sand the terrazzo flakes before applying varnish for a smooth surface.
