

Easter eggs decorated with dried flowers

v15563

Decorate plastic eggs with dried flowers attached with decoupage lacquer.

Comment faire

1
Apply a coat of decoupage lacquer onto the plastic egg where you want to place the flower.

2
Attach the flower onto the egg and apply a thin coat of decoupage lacquer on top.

3
Leave the egg to dry. When dry, apply another thin coat of decoupage lacquer over the entire egg.

4
You may push a wooden flower stick into the plastic egg to make the decorating process easier.
